

## Julio Garcia Jr.

October 13, 1965 - December 29, 2020

Julio Garcia, Jr., of Wilmer, passed away on December 29, 2020 in Dallas. He was born October 13, 1965 in Laredo, TX to Julio, Sr. and Sara Garcia. Julio was a dedicated employee at Brookefield Properties in Dallas where he worked his way up to the position of Maintenance Supervisor after working for the company for over a decade. His smiling face and willingness to help was always welcomed by his coworkers and residents of the properties that were entrusted to him. Julio enjoyed time with family and friends and spending days and evenings outdoors especially when he could fish at a favorite place. He was interested in history and also had a talent for fixing anything that came his way. He could build and improve anything mechanical which may need adjusting or customizing. Cars were a particular interest in that he could find different ways to make each car and engine run, and look, their best on many different projects. A wonderful father, grandfather, brother, uncle and friend, Julio will be greatly missed by all who knew him.

He is survived by his children: Nicole Garcia of Forney, Jamiel Garcia of Wilmer and Madison Garcia of Forney; father, Julio Garcia, Sr., of Wilmer; mother, Sara Garcia of Laredo; grandsons, Zakery and Elye Robertson of Forney; granddaughter, Jaydan Garcia-Lara of Willmar, MN; siblings: Eduardo Garcia of Laredo, Gerardo Garcia of Laredo, Jorge Garcia of Mesquite, Esmeralda Ehrenzweig of Laredo, Sara Garcia of Laredo and Jaime Garcia of Laredo as well as numerous nieces, nephews, extended family and a host of friends.

“ I work for Rogers-O'Brien Construction and one of my last projects was the Ardan hi rise, right across the street from 3700M where Julio worked. When we were finishing the construction of Ardan, Julio was bouncing back and forth between properties, helping the Ardan with maintenance. Julio and I worked together on a few problems that we had to solve (on Ardan), and I met with him a number of times getting him documents that he needed. There was a unit up on level 15 where the couple had a long haired weenie dog named Oscar, and a few times Julio and I had to go in to the unit while the residents were not home, to make repairs. Oscar was older and couldn't see real well, and walked pretty slow. He was a bit skiddish and slowly made his way up to Julio and let Julio pet him. I remember the residents saying Oscar was usually scared of everyone (because of his old age), but as I think did everyone - he warmed up to Julio. Julio just had a natural presence about him that was warm and friendly. You felt like you had already known him, and he was just a friend instantly. Julio was one of a kind.
