“ *Denise was my sidekick for many years and I loved her so very much. I think my funniest memory is Dallas was pretty icy and she had walked out my door going to leave. A couple minutes I could hear someone calling my name. So the kids and I went out to find Denise's car still in the parking lot and I could hear giggling. I looked under her car and there she was, she had slipped on the ice and slid all the way under her car and couldn't get good enough traction to get out. We laughed so hard and I about never got her out from under that car. I have so many wonderful memories, she had a heart of gold and as big as Tex*
