Kathleen "Kathy" Osorno passed away peacefully at her home in Terrell, Texas on October 13, 2023. Kathy was born in New York City, New York to Donald and Miriam Goss, both of whom preceded her in death along with her son, Shawn Barber, and two brothers, Kenneth Goss and Paul Goss.

Kathy spent over 20 years in property management before retiring in 2005. Her work brought her to Texas in 1985 and not long after she met Aurelio Osorno. They were married on October 19, 1987.

Kathy had a loving heart and to know her was to know a truly happy person. Kathy and her husband, Aurelio made their home a warm and welcoming place to any and all who visited. Kathy was a caretaker of her beloved family and to say she had a love for them would be an understatement. In her spare time, she would enjoy working on crossword puzzles, needlepoint, cross-stitch or just putting together puzzles. She was fiercely competitive and would work hard to make sure she was at her best; she would not want to diminish her winning streak on Wordle. Above all, Kathy loved her family, and she is loved deeply in return.

Those left to carry on Kathy's love for life and her legacy are her beloved husband of 35 years, Aurelio Osorno, son Michael Barber and wife Pamela, grandchildren Kaitlyn Barber and Tristan Barber along with special daughter, Cristal Osorno. And a host of family and friends. She will be dearly missed,

and her lifetime of memories will be cherished by all who knew her.
