“ *You only get one Mama. It's not until you become an adult with children of your own, that you can start to realize how blessed you were to have a mother and a father. I wondered how my Mama cared about me so much. I was just a boring kid and nothing to be proud of. But she made sure she paid attention to all 4 of us kids. She was proud of all of us and we knew we were loved. We were the richest people we ever knew of because of our family bond. She was the glue that held us together. She was the Super Glue, the Super Mom. You only get one Mama! Love, Chuck Franklin*

Kathy and I grew as childhood friends from the ages of 3 & 4 yrs old. She being the oldest. We grew up living next door from each other until we both married and moved away to begin our adult lives.

Went from grade school in Hutchins, TX to Junior high and on through High school at Wilmer Hutchins High.

As best friends do, we shared a lot of fun secrets and very fond memories through the years. We watched our children grow up from infants to teens and on into adulthood.

We've shared births, weddings and losses. We've laughed a lot and cried quite a few tears together.

She was not just a best friend, but also a sister to me.

I know you are so happy to be able to see Betty, Leon and Thomas again.

Kathy I will miss you dearly, give Rita a hug for me.

Kathy was my cousin. As children we played together a lot and told each other we would always be best friends. But as we grew older our lives went in different directions. At times we lost touch with each other. In the past few years I was so happy that we connected again.

Her family meant the world to her and she was very loved.

Thankyou for the sweet caring notes you sent to me. Hearing your cheerful words would brighten my day.

I will miss you....everyone will miss you.

May you rest in peace.

As you always said " love you cuz " forever remembered.

Love

Karen
