“ *Kelly,  
It has been over four months since you left this world. We miss you so much. There have been so many times i would start to text or call you, and then painfully remember you aren't there. We all miss you and love you.*

“ Courtney, words can't express the sorrow we feel for you and your family in the passing of your mom Kelly. Your mother was not only a dear sweet friend who always had time to share an ear to a friend, but also one who had a generous heart and was a beautiful person both inside and out. I will always remember her beautiful smile and and lovely laugh. She was always so kind to me and our family and was like a second mom to Christy growing up. I will miss her more than words can say. I pray that you will find comfort in the great love she had for you and your family and all of the wonderful memories you had together.

Thoughts, prayers and love to you all,  
Kathy Wills

“ As one of Kelly's cousins I had the pleasure of being there while this beautiful, warm, loving creature grew from child into womanhood. She was strikingly beautiful from the moment of birth til time of her death. She was devoted to her family and husband. She will be missed by all. Love you Kelly. Always Deitra.
