“ My darling Kenneth I miss you more everyday. You were my Knight in Shining Armor, you loved me unconditionally as I did you, we had a love neither one of us had ever had before, you were the person I could talk to about anything and everything and I miss our late night talks. You treated Chad like a son and he loved and misses you so much. You also treated Chase as your own grandson and he says you are the only grandfather or as him and Chad called you “Pop” that he can remember in his younger years. They both miss their Pop. I can’t can’t believe it’s been almost 7 years since you’ve been gone. I know you have a beautiful crown and home in heaven because of you person you were here on earth. You loved our Heavenly Father and to me you will always be my one and only true love. I’m so thankful for the time we had as man and wife I just wish we had had a little more time but I know our Lord needed you more. My darling I can’t wait to see you again when I walk through those heavenly gates. Don’t you worry about me our son Chad is taking good care of me just as I know you knew he would. There’s been some good times and some rough times but we’ll make it through whatever our Lord has in his plans cause he knows how much we love and trust him. I pray somehow you will see this but I know you already knew it all anyway.

I love you always have and always will. Your loving wife, Sherry Lee  
Last of all I want to thank Max and Veronica for being there for me when I needed them most. Your kindness will never be forgotten. I have one last request, when my time comes to go home take care of Chad, he’s going to really need you both. I know y’all will and I want to tell you now how much I appreciate it and love you both for being the caring people you are. Thank you for this time and place to express my love and feelings on this day February 12, 2025.

Sherry Lee Williams

Kenneth and I shared an Uncle, Ray Williams. I have known him all his life. I was over the Caregiver portion of Relay For Life of Hunt County for several years. When Kenneth had his office supply place here in Quinlan I went in to get some stamps for the Luminaria bags. He had them made up and called me when they were ready. I went to pick them up and he said, no I lost two brothers to cancer, so they are free. He was such an honest, loving, giving and extra funny man. We will all miss him greatly. I am so sorry I didn't know about his passing and funeral arrangements until now.
