

Kiki Figueroa

April 8, 1966 - November 6, 2021

Kiki Figueroa, of Terrell, passed away on November 6, 2021. Kiki was born on April 8, 1966 in Terrell to Dr. Sergio V., Sr. and Cristina Figueroa, both of whom met Kiki in Heaven along with his wife, Misty McWha Figueroa and his brother, Sergio Figueroa, Jr.

Kiki was, to put it simply, a force of nature! Upon meeting him, everyone immediately recognized his love for life and his love of others. He grew up in Terrell, graduating from Terrell High School in 1984. Many of the friendships he made as a young man endured for his entire life and there was rarely a place that Kiki went that he didn't know somebody he grew up with or hung out with. Kiki had a smile that was the biggest and brightest in the room and his hugs were the only things bigger than his smile. The phrase "never met a stranger" truly applied to Kiki—he made instant friends of all he met with his bigger than life personality that embodied fun and generosity perfectly. He could make the most mundane days extraordinary and he had the incredible ability to make everyone laugh with his comments, antics and his insights. He had an incredible charisma that made every get together memorable for decades and inspired stories still told today! He lived life to the fullest in every way possible and was a great friend to all who knew him, whether it was for a minute or his lifetime. A one-of-a-kind man with a heart as big as Texas and love for every one he met, Kiki will be greatly missed but never, ever forgotten. He is survived by his daughter, Avery Jeanne Figueroa; sisters: Sandra Rohde and Cristina Figueroa; mother of his daughter, Michelle Figueroa Wilson. Kiki

is also survived by and extended family that loved him and are grieving as well with beloved relatives from Monterey, Mexico, Mallorca, Playa de Carmen, and Arkansas. He was a great uncle to his niece and nephews: Assisi Rohde, Victor Rohde, and Nicklaus Graves. each of whom are heartbroken as well along with his many other extended family members and countless friends, near and far.

A celebration of Kiki's life and legacy will be held at will be at 4:00pm, Thursday, November 11, 2021 at Life Pointe Church in Terrell, TX. Instead of flowers, the family is strongly suggesting that donations in memory of Kiki be made to:

“ *I remember Kiki as a classmate and friend. He was always welcoming & kind. If there were four people standing and talking, he always made room for five, with a smile. We are so sorry for this great loss. We send heartfelt condolences to his family and especially to his precious daughter Avery. You are all in our thoughts and prayers. Stephanie & Scott*

“ Kiki... was the first person to make me feel welcome at our private kindergarten. If you knew him, this is no surprise. He was born loving people and he did it well. He loved all people. I am brokenhearted by his passing. Although I had not seen him in years, so many memories come flooding back. His infectious smile and personality was one of a kind. As you see in all the photos, he was a lover of pets! He was always bringing home new pets, when we were in high school! He had 2 ferrets, Fred and Fee Fee, they ran in and out of the pockets of the pool table. He once brought home an Iguana and put it in the atrium. Scared his poor mom to death! I am so glad that I knew you, Kiki, you taught us how to live life to the fullest. I pray for Avery, Michelle and all of his family. You will truly be missed, but never forgotten!

“ Sometimes you meet someone who makes an impact on your life and you don't even realize the extent until later in life. Kiki was that type of person.....He had an aura that always made you feel welcomed and a pleasure to be around. He would always greet me "Hey Brother!" and we would reminisce about the good old days...Kiki and I became good friends during our days in high school and beyond and I will always remember him as a true class act and genuine good hearted individual. I am deeply saddened to hear of your passing Brother....Rest in Peace my friend....

“ *Kiki was a dear friend of mine for many years. Although with life, babies and work we lost touch in the later years. I was heartbroken to hear of his passing. His obituary describes him perfectly. He was always the biggest personality in the room and so much fun to be around. Always smiling his contagious smile and making everyone around him laugh and feel special.*

I named my oldest son after him because not only did I love the name Christian, but I hoped he would grow up to light up the room like Kiki did and be loved by so many. I let Kiki know this before my son was born and he said he was so honored. It turned out that their birthday was one day apart with my son being born on April 7th. He never got to meet Kiki and I regret that, I hate that I did not get to see him one last time.

He made a lasting impression in my life and my prayers go out to his family as I know he will be greatly missed.

“ I want to start off by saying I am devastated and heartbroken by the sudden and unexplained death of my brother, Kiki Figueroa.

Everyone knows Kiki had a lot of friends that loved him but what people don't know is that he had an extended family that also loved him and are grieving as well. He had relatives from Monterey, Mexico, Mallorca, Playa de Carmen, and Arkansas.

Kiki was a great uncle to his niece and nephews: Assisi Rohde, Victor Rohde, and Nicklaus Graves who are heartbroken as well.

I will miss my baby brother who was my rock and the last male standing in our family.
