

## Kimberlyn Leigh Stryker

February 6, 1958 - November 22, 2021

Kimberlyn Leigh Stryker passed away peacefully and entered into the presence of her Lord on November 22, 2021 surrounded by her family. Kim was born on February 6, 1958 in Terrell, Texas to Harold Leigh and Sally Dozier Leigh and lived in Terrell her entire life. Kim was welcomed into heaven by her Dad, Harold Leigh, and her grandparents, Ralph & Ada Tankersley and Lewis & Christine Dozier. She grew up in Terrell and attended Terrell High School where she was a proud Terrell Tigerette, cheerleader and member of the National Honor Society. Kim made many friends in high school that she kept for life. She treasured these friendships and spoke often of her friends and many memories made at the Terrell Boat Club. She graduated from Terrell High School in 1976. Kim loved to swim and was a natural at it. She was a competitive member of the Dallas Swim Team and you could see her beautiful smile at the Terrell Country Club where she worked as a lifeguard every summer. A member of The First Christian Church, Kim served faithfully as a junior deacon and gave her life to the Lord at a young age. She was very active in the youth group, took many trips with Boy Scout Troup 390 and was known to have a mean "spike" on the volleyball court. Many memories were made with family and friends in the mountains of New Mexico and Colorado where Kim loved to ski and hike and enjoy God's beautiful creation. Kim and her devoted husband, Mitch, could be found at the lake or traveling where Kim found the most pleasure and enjoyment in the simple things of life. An avid rock collector, Kim brought home rocks from any and every trip. At the time of

her passing, Kim worked at Madix, Inc., where she was loved by all. Her untouched desk covered with flowers is a testimony to the friendship and warm smile that Kim offered freely to her coworkers and friends. Kim had an old soul with a rare, calm demeanor and the uncanny ability to bring peace to any situation. She lived in the moment and made the most of every opportunity. She had a wonderful sense of humor and the gift of laughter. Her laughter and gentle spirit will be missed the most. Kim was a precious daughter and spent many lunch hours at her mothers home “checking in” to make sure all was well. Kim is survived by her mother, Sally Leigh, loving husband, Mitch Stryker, her children, Matthew Robinson & wife, Cheri, Joshua Robinson, and Jeni Newton. Sister Chris Thomas and brother, Jon Leigh & wife, Stacey. Twelve grandchildren and a host of other nieces, nephews and relatives.

Memorial service will be at 4:00 p.m., Tuesday, November 30, 2021 at Max Slayton Funeral Chapel. Family will be receiving friends beginning at 3:00 p.m. until service time.

In lieu of flowers the family is requesting memorials be made to: Terrell Boat Club c/o Kathy Williams 8206 Portsmouth Dr. Rowlett, TX. 75088 (214) 707-2720.

“ Mitch, Words cannot describe who your wife truly was and so words also cannot describe the loss we are all feeling now. Though the world is full of suffering, it is also full of overcoming. I know you can get through this. You’ve got so much on your mind and on your heart right now. We hope it will make one less worry to know that we’ll be here for you for as long as you need. Kim was someone who shared so much of life with all of us and will forever be a part of our lives. Keeping you in my prayers as we remember the smiles and laughter of one truly amazing lady. “ Mitch, I am so sorry to hear about your loss of Kim, it's still hard for me to fathom that she is gone. Kim was one of the sweetest, nicest ladies I've ever meet in my life and she will be missed by all of us here at Red Bear who knew her. Mitch I know what you are going through because I lost my one and only life long love, my Wife Naomi in 2004. Mitch, I'm here for you if you ever need me, if it's only just to talk, I love you my Brother and I have added you and your family to my morning prayer list, hang in there - Bill Gordon.

“ *We became friends only a few years ago, but Kim was the kind of woman you immediately knew you could be friends with and trust. She never said a bad word and was always fun, light hearted and helpful. We shared many hours of planting flowers together. My heart is broken and sad at the thought of not sharing new memories with her. God has a beautiful Angel in his flock to look over her loved ones. She is one of a kind. Pam Lowder*
