“ *Larry was always kind and nice to be around. He enjoyed talking about the Dallas Cowboys, Texas Rangers and NASCAR. He will be missed by his family and friends but we all now he is in a better place. He will always have the best seat in the stadium for his Cowboys, Rangers and NASCAR.*

“ *Jim and I have been away from our families for many years, but the few times we have returned one thing stayed the same, family. The bond of family always endures. You never go so far away that just at the moment we reconnect with a hug and a handshake, it is like we have never been apart! Larry has arrived in his forever home; where all is glorious! What a blessed thing! Holding all of you close in our hearts, Linda and Jim Wood, Lynchburg, VA*

“ *The past few days I've been sadden from the loss of my youngest brother Larry.He was a special needs person born with a mentally challenge,even with this he was always the delight to be around,He was a die hard Dallas Cowboy,and Texas Ranger fan,and sports in general.Though he could not grasp and maintain knowledge,in his mind he was full of love for anyone he knew.Since his passing I've a little time to reflect on he has taught me,which is a lot more than you would think.Larry had no bias concerns of the world or of any person,he had no prejudice he seen all people as one, no color, religion, or political believes made any or no difference to him. I hope that from this day forward I will live up to Larry's standard of life,so simple for him but yet so hard for us with complete knowledge.Little buddy you taught me more than I to you.I'm really going to miss you, R.I.P.*

“ *I have very fond memories of Larry. He was a very loving and quiet man. Larry always had a smile. There is one thing for sure... Larry was loved by family and all who had the privilege of knowing him. He will be greatly missed. Even though I didn't see Larry often I knew he was there and I will miss him. Prayers for y'all continue.*
