“ In 1979 we moved to Terrell and over that year a house was built next door. To my delight we were now next door neighbors to Buzz and LaVerne. They were the best neighbors we have ever had and even though we moved away every time I saw LaVerne we could carry on a conversation like we were still neighbors. The world was a better place because LaVerne was in it. Now she is enjoying heaven and we are left to grieve her passing. Buzz, you know how much we cared for LaVerne and still care for you. Please accept our deepest sympathy and know that we were blessed to know LaVerne. Randy & Beverly Goff.

“ We have been blessed to be friends and neighbors with LaVerne and Buzz and family for over 30 years. LaVerne had such a comforting graciousness about her that we will truly miss. She demonstrated God's love through her kindness and positive spirit as does her family. We send our prayers for comfort to the family as we celebrate a beautiful life well lived that touched on and gave to so many others. Freddy, Susan & Erin Green

“ *Laverne was a sweet down to earth person .The first time I meant her 46yrs ago I felt like we were friends. I never saw her that she didn't have a smile on her face and a good word to say. I will miss her.*

“ LaVerne and Buzz have been our neighbors for many years. I met her at a neighbor get together and we became friends. You would first notice her beautiful smile, and then you would see that she was a warm caring person. I worked at the Chamber Commerce visitor center at Tanger Mall, and if she came to shop, she would make a point of stopping to see me. We would chat and catch up on everything. She could turn an ordinary day into a special one, just by her smile and friendly nature. There isn't anything I could say to make it easier on those who are left behind. Jesus has restored her health, and once again that beautiful smile. Rest In Peace sweet lady, Jeanie and Jerry.
