“ Barbara, Jimmy, David and Bryan; Thank you for letting Leo be a part of the TxDOT family for a long as he was. You couldn't know Leo and not love him. He was one of the first people I met when I transferred to Dallas from Odessa in June of 1983 and he and I rode together for the first few months I was here. He even took me to a pretty darn good restaurant to eat at in Terrell. And, except for the two years I left TxDOT, we worked together until he retired in 2003. After Leo retired, he still made it a point to stay in touch with us and came to most all of our functions.

Leo; Thank you for being such a good friend and employee the whole time we worked together. Some of my best memories are the times you, Tim and I spent together. From the times in the back room at our south Dallas office we made into a signal shop or when we were out on the road cutting in loops and you were showing us how to use the air compressor, we always made it fun.

As we moved to the District complex and the signal shop crew grew, you were always there to help teach and train everyone as needed. The best thing is you never lost your sense of humor. You had more stories and jokes to tell than anyone I've ever known. And, best of all, you weren't afraid to laugh at yourself if it came down to it. Oh, the stories we could tell!

Please know that you were loved by us all. And, I know you loved us, but I also know that nothing could match the love you had for your Family and the love you had for our Lord and Savior, Jesus Christ.

Rest in peace good friend and some day I hope we meet again.

“ Dad I miss you. Thank you for setting such an example for me on how to live my life as a Christian. You lived your life for Christ every day. My hope and prayer is that I can be half the man and father that you were. As much as my heart aches now I have comfort in knowing I will see you again one day. I am so thankful and grateful to God that he chose you to be my dad. I love you.

“ Dear Barbara and boys, I'm so sorry to hear that Leo has passed. Years ago when I was a member of FBC Terrell I never walked past Leo that he didn't say something to make me smile, he was always kidding around and a pleasant man to see. Leo will be missed by all. My heart goes out to you and the boys and y'all are in my prayers during this very difficult time. God Bless You, Judy Hulon Hayes
