“ Betty so sorry to hear about Leonard. Enjoyed at so many barbecue cookoffs getting to talk to him about his old classic cars along with Betty Jo. My prayers and thoughts are with you and your family at this sad time. May the good Lord watch over you and give you peace and comfort

“ Leonard was my buddy as we were growing up in Robstown in the late 50's and into the early 60's. We spent good times riding around on my scooter along with other friends that had scooters. I will truly miss him but I know that life is short on this earth and God has appointed times for us on this earth. Lord Bless you Betty, Joan and Margarito.

Small world! I remember him riding his scooter out on the country roads not far from Robstown and giving us rides. One of the times I saw my primo was when he stopped by mom's home in Eddy, Tx and he was showing me his Dodge Charger. He was always about speed!! Betty, the Lord comfort you, Margarito, and Joan.
