“ *Lorenzo its been a long time, I don't know why I'm just now doing this we met in second grade. we where so close in school, we always hung out with Benji and Cole, we where friends all the way to 5th grade where we met julisa we all hung out everyday at recess just the 3 of us. when we heard about you we where heartbroken. one day in 2019 just before Christmas break we got reminded of you and we looked at each other and we cried. I don't know, well actually I do know why god chose you to be angel. I hope your parents are doing well. To your mother I know she wont see this but I still want to say she raised the best son in the world and now you are a angel looking after her . R.I.P*
