

Loretta Camacho

February 6, 1927 - May 14, 2020

Loretta Bartlett Camacho passed away on May 14, 2020 at the age of 93 at her home surrounded by family in Terrell, Texas. She was born on February 6, 1927 in Van Zandt County the daughter of John Bartlett and Eva Flowers. By 1939, at the age of 12, the family then moved to Terrell, Texas.

Loretta's first marriage was to Lewis Harwell in 1943 for 16 years and together they had four sons and one daughter.

By 1962, she had a second chance at love and married Julio Camacho who was in the Army at that time. They spent many years traveling the world to Puerto Rico, Germany, New York, Austin, Texas, El Paso, Texas and then settled down in Terrell by 1984. The love they shared between one another was truly a fairy tale marriage. They were married for 40 years at the time of Julio's passing in 2002.

Loretta spent her years as a homemaker caring for her children, raised two granddaughters and spent countless days with her greatgrandchildren. Every birthday celebration, Thanksgiving tradition and Christmas were her favorite times to be with family.

Those left to cherish Loretta's memory are her daughter Cathy Camacho and her fiancé, Thomas Horton; granddaughter Misty Derrick and her fiancé Jordan Smith, granddaughter Bobbie Horton and husband Keenan Morrow, great-grandchildren: Austin Martinez, Jordan Lance, Amya Perez, Kailee Morrow, Keenan Morrow Jr., Gabriel Morrow as well as 7 other great-grandchildren.

Loretta will be extremely missed by all who knew and loved her.

Loretta is preceded in death by her parents, her husband, Julio Camacho, sister, Ruth Dudley, and son, Richard Dale Harwell.

Funeral service will be at 11:00am, Monday, May 18, 2020, at Weaver Cemetery in Terrell, TX. Visitation will be held on Sunday, May 17, from 2:00pm to 4:00pm at Max Slayton Funeral Chapel.

You are a lucky family to have had someone like her. I only met her once, but she was one of the cutest little ladies i have ever met. Prayers going up for you all of peace, comfort and strength.
