“ *Gary, so sorry to hear about the loss of Mr. Brown. It has been a long time since we were all together at Cypress Creek High School. You dad was one of the best men I had the pleasure of knowing and working for. A high school principle with interest in my little ole agriculture program was amazing.*

He was a great man, and the world needs today many more such as him in this education system where the discipline and teaching of God has been taken away.

Gary again sorry for your lose, and I only wish I had stayed in contact with your Dad. God Bless you and your family.

Tony Smith--Former Vocational Agriculture Teacher at Cypress Creek High School.

“ *Gary --*

I remember your dad fondly. He was a gentle man who helped my mother advance her teaching career. Your mom and dad wrapped their arms around my family in our time of need. I will miss him.

“ So sad to hear this news Gary. I mentioned him yesterday to a co-worker, praising his love and commitment to his students. My Dad, John Murray adored him and his commitment to help the Cy-Fair sports association. He was a voice for those who needed help. A true gentleman! My prayers to you and your family. Sincerely, Joyce Murray Erck

“ *I met Louis later in life and knew him through his next door neighbors, John and Lena Williams. My impression of Louis was that he was a very honorable man, a true believer in Christ, a devoted husband and just an all around good guy. The world needs many more like him and it is a true loss to everyone to see him pass.*
