“ *Carol and Sherry, I am so sorry to hear that your mother passed away. Some of my earliest memories are being at your house out in the country, across the road from the Criswell farmhouse -- you had a cuckoo clock that fascinated me -- and of fishing in the cattle tanks in the pasture. My thoughts and prayers are with you all at this difficult time but your parents were wonderful people and I know they are together again in Heaven. Much love, Cheree Townsend Cargill*
