“ *She was one of the most dedicated teachers I had the privilege to know, and work with at DC Cannon. She was also a fun, remarkable, wonderful person. She touched many lives, especially young children who needed extra help learning to read. She was a GIFT to this world! May she rest in peace.*

“ I will forever cherish serving Marilyn the precious blood at Mass. She always responded with a very strong and emphatic "Amen!" I always admired her strong faith and will miss seeing her sitting in the first pew on Sunday mornings. Rest in Peace Marilyn and may God bring peace to Craig and your sons.

“ I was very saddened to learn of the passing of Marilyn. I graduated from high school in 1974 with Marilyn and Craig. Marilyn always had a wonderful smile and sense of humor. We enjoyed playing basketball together all of our junior high and high school years. The world has lost a bright light. My thoughts are with Marilyn's family during this difficult time.
