“ *Mary was always a part of our Sunday morning services and loved the Lord dearly. She brightened our day with her smile and quick wit. We will surely miss her but her dream came true as she is now walking and talking to her Jesus!*

*Thank you Mary for your testimony and your love that you so generously shared with us.*

“ *Mary was always cheerful, saying hi when we came in. If something was going on with my mother, she would let me know. She was a good friend to her and us. We will miss her and cheerfulness. Bless you Mary*
