“ *Mary Margaret and I grew up together in Terrell from 5th grade and then to college at UT. Both in First Presbyterian Church of Terrell. Chester & Dorothy purchased 1954 yellow and white Chevrolet 2 dr Belair for her college years. They didn't want her driving back & forth to Austin alone, so I was designated driver many times. Always stopped at Health Camp on the Circle in Waco for a burger. Asked if I would escort her to 1st DG dance in Austin in fall of '54, which I was glad to do.*

*Always a very gracious lady and most of all my good friend. She will be sorely missed.*

“ Dearest Rusty, my dear friend, such joyous memories of our College Days together, especially those when we roomed together at the DG house. I cherish those days and wish we had been able to spend more of our adult years together. My heart is heavy. most sincerely, Nancy Pfluger Payne
