“*Mr. Man, you will be sorely missed by all who knew and loved you. I always think of you every time I bake a loaf of banana nut bread. You loved eating it and I loved baking it for you. I will never forget the reaction on people's faces when we would go to Poncho's. Here we were a mom, a dad, and 6 pregnant girls at an all you can eat restaurant it was always quite comical. I will always be grateful for the selfless service you and Granny Annie gave on a daily basis for years. You were a Godly example that many of us had never seen or experienced. You were an example of service to others. I will always love and respect you for all you did. You will always have a special place in my heart for you. I know heaven has a beautifully singing Angel praising and worshiping our Lord.*

Love, Spanky!
