

## Maxcine Miller

June 27, 1946 - June 30, 2025

The committal service for Mrs. Maxcine Miller will be at 3:15pm, Monday, July 14, 2025 at D/FW National Cemetery and will be in LANE 2. Per D/FW policy, please DO NOT assemble in Lane 2 prior to 3:00PM.

Maxcine Ruby Miller, age 79, passed away peacefully at home on Monday morning the 30th of June 2025 in Terrell, Texas. She was surrounded by her family and many friends as she moved on to her great reward.

Maxcine was born to Louis and Dorthy Moran in Lufkin, Texas. Her parents preceded her in death as did her brother James Edward Moran who died in childbirth. She is survived by her husband of 57 years Michael, her two sons and their spouses, Max and Kristi, and Steve and Aine, her 6 grandchildren, Alyssa, Kacee, Maegan, Luke, Olivia and Oliver, her sister and brother-in-law, Linda and James Kemp, and many more cousins, nieces, nephews and friends.

Maxcine was not just the matriarch of her family, but also an accomplished professional, having had a long and distinguished career retiring from the United States Postal Service in 2003 after 31 years. During her tenure at the post office, she held numerous supervisory and leadership roles, the last being Labor Relations Specialist.

But Maxcine was not done! The daughter of a preacher and a preacher's wife, she loved the Lord and loved to serve. After her retirement from the post office, she began her second career as church secretary at Terrell First Assembly where she worked full time until late 2024, retiring again after over 20 years serving her church, her friends, and her community. While at the church she organized and managed fundraisers, special events, luncheons, dinners, and parties. In addition to her secretarial duties for many years, Maxcine led the church's charity food bank operation called Adopt a Block. This organization fed thousands upon thousands of those in need in Terrell and the surrounding area primarily with volunteers. If you have lived in Terrell during the last 25

years and were ever in need of a meal or knew someone who did, you knew the name Maxcine Miller.

She was a musician who had to teach herself the piano as a young girl when her father needed someone to play the piano for service. She was an award-winning baker winning numerous baking contests with her famous chocolate pie. She planned professional level events fulfilling requests to organize or cater for weddings, funerals, parties, luncheons and more. She hosted many a bible study at her home and was a member of the Primetimers Group at the church. She loved children and spent many years teaching children's church throughout her adult life. She had energy, and a mental and physical fortitude that could be matched by few, she was dependable, trustworthy, and selfless. Maxcine refused to believe that anything she set her mind to, could not be done. For all these reasons and more Rick Carmona, the Mayor of Terrell, in honor of her years of selfless service and love for all people proclaimed December 12th of 2023 Maxcine Miller Day.

Most of all she loved her family and above all, her grandchildren. Maxcine was deeply loved by her husband, her sons, and her grandkids and she would always say that her grandkids were her life.

A loving wife to her husband, a wonderful mother to her two sons, and a wonderful friend and mentor to so many of her church family and the greater Terrell community, Maxcine will be missed by all who knew her.

Maxcine did not want a funeral. She wanted a party. We are honoring her wishes. In lieu of flowers donations can be made in her name to TFA Church, 203 Main Street, Terrell, Texas 75160.

“ My thoughts go out to Maxcine’s family. I remember her finding me at the food pantry sitting alone waiting for my numbers to be called. She asked me if I knew how to file and would I help her out. That started a very special friendship. I volunteered along side Maxcine for several years working the pantry and helping her with all kinds of events. She was so strong and caring. I miss her but I know that I’ll see her again. Love to her family 💜

“ Maxine had loving heart. In 1968, Maxine loaned me her wedding dress for my wedding. I have never forgotten her kindness. My heart and prayers go out to the family for peace and strength during this time. I know Maxine will be greatly missed.

“ It wasn't a party unless Maxine and Joan showed up to do the fruit table...Always donating their proceeds to the church! Faithful servants. My prayers are with the family and friends. Maxine will be missed.

“ *In Loving Memory of Maxine Miller*

*It's hard to find the right words to honor someone as rare and special as Maxine Miller. For about 35 years, she's been a beautiful thread woven through the fabric of my life. Sometimes close, sometimes from afar, but always present in heart.*

*Maxine had a way of making everyone feel seen, valued, and loved. She lived to serve, not out of duty, but out of pure love. It was who she was, someone who took people under her wing, especially those who were struggling, and helped lift them up with patience, grace, and wisdom. She didn't just offer help she offered herself. Her time. Her heart. Her home. Her prayers.*

*Though I eventually left the church, I never stopped following Maxine's journey. Through Facebook, I watched her continue to pour love into others' lives, just as she always had. I'm sorry we drifted apart. Life has a way of pulling people in different directions. But deep down, I always knew that if I ever knocked on her door, she would welcome me in with open arms and with that warm smile only she could give. No questions. No judgment. Just love because that's who Maxine was.*

*Thank you, Maxine, for all the memories, the love, and the prayers. Some I knew about, and I'm sure many more I didn't. You touched lives in ways words could never fully capture. You were truly one of a kind, a light in a world that so often forgets how to care. And though you may be gone from this world, your love lives on in the hearts of everyone lucky enough to have known you.*

*Rest well, sweet soul. You will never be forgotten.*

*With love,

“ Mamaw loved going to the beach, she saved her “mad” money all year to take her grandkids on vacation. She spoiled us rotten. Jet skiing, parasailing, banana boat rides, water parks, whatever we wanted to do she would take us. She always kept her pantry stocked with all our favorite snacks too. I always gained 5lbs after a weekend at Mamaw’s. She loved us fiercely and lived life to its fullest. We made so many wonderful memories. I love you and I’ll miss you.
