“ *Hi Bruce*

I want to extend my sincere condolences to you and Miranda's family.

I will forever miss her cheerful smiles and greetings at the national MOA rallies.

The best that's left is the fond memories of the good times and rides we did together.

After looking through my files, I found a few pictures from the birthday party she did in your honor.

She had such a good way of brightening up the day for everyone. I hope these photos can brighten the day for you.

“ Dear Bruce
My condolences from my Heart.
We had so many happy times together.
Miranda was the light in the club, right next to you of course. She
will always be in the BMW clubs heart forever. I remember the visit
in the Hospital after her accident. She was the only one all up beat. I
and we all will miss her and remember the good times. She will be
you guardian Engel, the best. God speed.

“ I will never forget her asking Pat to lead rides for newbies and
before we knew it we were social directors of BMW of Colorado,
hosting the first Beemers and Bears. She had a knack for getting
you involved and making you feel important. She ALWAYS was
happy, and could make you smile. May she Rest In Peace,

“ I first met Miranda along with her husband few years back. They camped @ Yellowjacket RV resort on the Suwannee River. I guess my first impression was wow what cool socks she wears. I loved them n every day was a different pair. I had to chuckle because I could not have been that brave. She share if of her life with me n u could see her beam n oh how she loved her man, Bruce she would light up when she talked about him. She was always blessing someone if it was words. She was so kind to me. She won my heart. I will miss her here but I will have fun with our Lord n Savior over there one day. No more suffering no more pain. I even want to believe there was a very wild pair of socks waiting on her in heaven. Could be we never know. We ask that the Lord will take care of her love ones she left behind till everyone gathers together around that throne. Be strong Bruce Larry n I love you n will lift you up
