“ *Aunt molly was a awesome person. She always had a smile on her face no matter what was going on. I remember her always letting me drive there car when we would show up. One time when pulling the car in her driveway the side mirror got knocked off from me being to close to the fence. Molly just laughed and told me dont worry ill tell weldon that i did it. I was so scared but she just laughed it off. I will always remember your loving smile. Rest in piece molly. We love you !*
