“ *Ohh this girl was so full of it!!! I had the pleasure of working with her for years and visiting with her when my dad lived next to her. There was a time I got an awful tattoo and I went to her and asked if she could make a big beautiful butterfly out of it and she did!! Went to get that tattoo that day!! We were both proud of what it turned into. She will be missed by all who knew her and my deepest sympathies to all who knew and loved her.*

“ *God looked down upon the earth and decided he needed another Angel. After he searched and searched, he saw how beautiful and such an amazing lady with a beautiful heart and decided You were the Angel he had been looking for, so he took you home to the family and friends that has gone before you to rejoin you with them. And to be there to greet future family and friends. He knew you would make a wonderful addition to his Angels. God doesn't make mistakes....he takes the Best!*

*I Will see you again one my friend. Love you bunches.*
