Morgan John Jaroszewski, of Forney, passed away on May 27, 2025. Morgan was born on April 21, 1999 in Brewton, AL and was a beloved son, brother, uncle, cousin, nephew, godson and friend.

From an early age, Morgan had a gift and knack for machines and how he could rebuild them better and faster. He attended Texas State Technical College in Waco after graduating high school in 2017 after which he began his full time involvement with anything having to do with automobiles. To say Morgan was car crazy wasn't completely accurate because Morgan was just crazy for HIS cars! For every vehicle he owned or took on as a project, he had a distinct and unique name. His skill at building, rebuilding, designing and redesigning as well as customizing earned him an enviable and deep appreciation from his car club friends, other automotive enthusiasts and his own family. After graduation, Morgan worked for Amazon in delivery where his quiet demeanor, but dedicated work ethic made him an integral part of the shipping giant's team. Recently he had been working at Teph Seal Auto increasing his knowledge of cars and how to improve every car for every customer. When not working, Morgan was usually found at one of three places: on his computer, gaming with friends, in the back yard at the fire pit

with a new cigar that had caught his attention or, lately, on a golf course focusing on his personal best. Calling his dad, Mike, or his other family members letting them know that he was improving his swing and his golf par was the highlight of his day followed by always inviting anyone to the course for another 'quick game'. His love of anime was well known and his appreciation for stocking up his humidor was becoming just as well known and he truly enjoyed time spent smoking a new cigar especially with his cousin, Neil, and other friends. Morgan was an old soul in a young person and his eclectic music taste reflected his desire to connect with those he loved fiercely and unashamedly. He was an active member of a couple of car groups including Rowlett Misfits where he was a regular visitor at Cars n Shakes car meets in Garland, Rockwall and Rowlett. A young man who had deep connections and valued the time he spent with those closest to him, Morgan will be forever missed and always remembered.

Morgan was met in Heaven by his brother, Jordan Jaroszewski; grandfather, Vincent Jaroszewski; grandparents, John and Mary Goggins and aunt, Deborah Goggins.

He leaves his memory to be cherished to his parents, Mike and Elaine Jaroszewski; siblings: Justin Harvey, Shannon Glass and Ryan Atkins; grandmother, Romaine Szudarski and husband, Mel; uncle, John Goggins; aunts, Judy Coats and husband, Randy, Janet Shimala and husband John and aunt Lisa Goggins; nieces, Myah Godfrey and Rose Glass as well as other beloved extended family, car meet members and friends, each of whom will miss Morgan dearly.

A gathering of family and friends will be 5:00pm to 7:00pm, Tuesday, June 3, 2025 at Max Slayton Funeral Chapel where all are invited to share the many memories and stories of Morgan's legacy.

In lieu of flowers, Morgan's family asks that donations be made to suicide prevention at <https://988lifeline.org/donate/> or, to help with funeral costs, donations may be made directly to Max Slayton Funerals for his family.

“ *Our sweet Morgan, your beautiful "old" soul will forever be missed. I know you are dancing with Jesus now, joking around with your brother and playing some Dean Martin or Frank Sinatra records for Grandpa. There is no doubt that we will see you again. I can't wait for that beautiful smile and big hug from you. We love you Morgan, beyond words.*

“ There were so many memories between us because you're my brother but my favorite memories were the ones where we would just chill together watching anime and talking together eating junk food obviously 😂 and the other ones were where you'd come into my room and jump on my bed to annoy me but we'd talk instead teasing each other with our little banter we had and then you'd tell buddy to come on the bed too and we'd play around with him together too running around the house after getting him all hyper that was so fun. You were silly fun and so loving. I'll love you forever until we meet again 💕
