“ *Rest in peace my grandpa. You were someone everyone looked up to and so very smart. I have so many memories of you but my favorite that made my lil girl heart smile and laugh was in the mornings while you read the paper at the table you would whistle and sound like different birds. I was so amazed by you. You will be missed, till we meet again💛 I love you papa, your granddaughter Toni Bishop*

“ *Pappaw was kind and generous and helped so many people, he was funny and witty and too smart for his own good. He was a good man who lived a good life and accomplished so much. He was a role model for us all. I love you Pappaw. Enjoy your well earned peace ❤️*

“ I have so many memories of so many family dinners and holidays together. Morris always kept the conversation interesting and lively. He had a brilliant mind and I'm very proud to have been his daughter-daughter-in-law. He will be missed. Love Donna Bishop

“ Grandpa never met a stranger. He would always try to help you even if he didn't know you well. He made the world a better place to live and left a lasting impression on all who knew him. You did a really great job grandpa. I will miss you and all of your funny jokes. I wouldn't have made it this far without you.
