“ Dr. Morris Hill was such a kind hearted man. I love what someone told me recently about him....all he ever wanted was a big family. God blessed him with that indeed, and I believe he was ever so grateful....he loved his wonderful wife, Barbara, and all his family well. And, he left such a Godly legacy for all who knew him to cherish. Now, he walks the streets of gold with our King of Kings! The Brockway Family loves the family and are lifting them all up in prayer.
