

Neal Gay

June 25, 1926 - August 11, 2022

Legendary Texas Cowboy and Rodeo Producer, Neal Gay, rode into the final sunset on August 11, 2022 at the age of 96. He passed away peacefully at his Rafter G Ranch house with his family nearby.

Neal Gay is best known as the founder and producer of the Mesquite Championship Rodeo for 51 years and the contract producer of the Fort Worth Stock Show Rodeo for the past 43 years.

In the 70s and 80s, he and his family managed many other rodeos across North Texas each year.

Neal was a WWII Navy Veteran and entered his first rodeo in Atoka, Oklahoma in 1945. He was a steer wrestler, saddle bronc, bareback and bull rider.

Neal was among the early Professional Rodeo Cowboys Association (PRCA) members. His PRCA membership card number was C902.

He was born in Dallas to mother Elsie Mae and father Malond on June 25, 1926.

Neal Gay is survived by wife, and love of his life, Kay Gay and three sons: Pete Gay and wife, Elissa, Donnie Gay and wife, Terri, and Jim Gay and wife, Brenda.

His grandchildren, Talli Gay, Megan Gay Maier and Summer Gay remain in the rodeo family interest.

Most friends remember Neal as a rowdy and tough minded cowboy in the early days and those close to him know him as a smart business man, true to

his word, strong principled, with a love for God, family, rodeo, his ranch and his livestock.

In his early years, Neal supported his rodeo endeavors by selling used cars, real estate and found time to teach Sunday School.

in lieu of flowers the family requests memorials be made to the Justin Cowboy Crisis Fund www.justincowboycrisisfund.org or The Wounded Warrior Project www.woundedwarriorproject.org

A celebration of life will be held at 1:00 p.m. on Tuesday, August 23, 2022, at the Will Rogers Memorial Coliseum in Fort Worth, Texas.

“ I remember my time living on the ranch with great fondness. Neal showed me how to gather stock HIS way. At a later date I helped my then husband gather stock and he yelled at me I wasn't doing it right.
Believe you me, I let him know I was doing it right because Mr. Neal taught me!!
Those were some of the best years of my life.
Neal and everyone made us feel so welcome. Hugs to all of you.

“ Neal was a nice quiet well mannered person, but he was tough as nails. I remember one Saturday night, my wife, Pat and I were acting as host for the City of Mesquite to entertain the King and Queen of Sweden at the rodeo and Neal comes into the arena on his horse full speed. The horse made an immediate stop and Neal went over the horse's head, landing on his head and neck. The arena was silent and Neal was laying on the arena floor very still. Medics rushed to him and in a few minutes he got up, waved his hat to the crowd and walked off. He was one of a kind and will be missed. RIP

“ I got to meet Mr. Gay and his wife Kay while serving as a teacher and coach at West Mesquite High School in the late 1970's. Jim was one of my favorite players to coach and I remember his Dad and Mom always being there to support him and the Wrangler football program. I also had the privilege of observing and working with granddaughter Talli as she began her teaching career in the Mesquite ISD. You can see the influence and easily tell that the patriarch of the family has passed on a great legacy of character and faith through his children and grandchildren.

“ I met Neal about 1955 at the Pleasant Mound Baptist Church. He was my Sunday School teacher. I had been riding about a year. He started taking me to rodeos and put me on anything anybody turned out. When I would inquire what the stock did he would say “It don’t make any difference, get over here and be ready when they call for you”. Neal wouldn’t let me collect mount money but he always paid all expenses including supper. He said I was there to learn, not collect money.

I rode bulls but Neal would enter me in the bareback or bronc riding if Mesquite was short of contestants. I wasn’t much of a bronc rider but I think he put me in so the fans could see a good wreck. Neal is a father to Pete, Donnie and Jim but, he was a father figure to me and countless number of young people (sometimes more than their real father). I try often to exhibit some of the qualities he instilled in me. I’ll always remember him and I’ll tell him how much when I see him in Heaven before long.

“ I’ve known Neal all my life. He and my dad, Carl Jones, we’re best friends. I remember visits way back when he lived on Scylene road at pleasant mound. Pete was about 3 and Donnie was a baby. I would baby sit them sometime while our parents went out to eat. He and my dad owned a car lot together on Lake June road in Pleasant Grove. Lots of good memories. I know my mom and dad, aunt Vee and Uncle Carl, will have a grand reunion in heaven with their old friend. My deepest condolences to all the Gay family. He will be missed.

“ Neal was not blood kin but I loved him like a family member.

I met Neal in 1953, he was my Sunday School teacher at Pleasant Mount Baptist Church.

One Sunday Neal asked me why I didn't come to church and I told him I had a rodeo to get to and it started at 1:00pm and church wasn't over until 12:00! Neal told me you come to church Sunday and I'll get you to Martins Mill by 1:00! And he sure did!! He drove like a race car driver!!! He told me then if I wanted to be a cowboy he would take me and teach me and he did just that.

I called Neal in June to tell him and Kay Happy Anniversary. He and Kay got married the same year as Sue and I did in 1956.

*I always wanted to be like Neal! But he sat that bar too high!!

“ I got to meet Neal Gay and the rest of the family at high school rodeo's and local rodeo's and barrel races. You we see him there with Kay watching his granddaughters compete. He always had a sparkle in his eye watching them. He so loved it. But he would cheer for everyone. I think that's one thing I will remember him doing. Is showing his granddaughters the heart of competing. That you have to show your fellow competitors encouragement and compassion. He also taught his sons and grandchildren how to work hard. Proving that by, working as long and as hard as he could. There was no quit in him.

And one other thing I will always remember him for. Is that look in his eye, when he looked at Kay. He thought the sun rose and set on her. And of course she felt the same way about him. They have a love that will last into eternity.

Keeping all his family in friends in my prayers. Ride high Neal Ride High.

“ Mr Gay took a chance on hiring me to fight bulls for him in 1991. The very first night he told me if the out gate was closed that means i want you to go to the bull and make a round or i want you, the Barrel, or dummy to get hit. The first section i got knocked down and pushed around by a little black mulley. The fighting bull at the end of the Rodeo a bull name Shredder ran over and hooked me pretty good. Don Gay on TNN said Barry must want more jobs from my dad Neal Gay if you get hooked like that he will hire you back. And sure enough he did for 6 years at Mesquite the another 23 opening chute gates at Ft Worth Stock Show Rodeo. In 1995 a Bullfighter got hurt on a Friday night I showed up Saturday morning for a 10 am perf to open chutes and Mr Gay said you are fighting bulls now, I couldn't believe it that was like working the NFR for me. I have so many stories of Mr Gay saying if it wasn't for Neal Gay I couldn't have done this or that without him during my Rodeo career. I respected him as much as my own dad and he will always be one of my heros .

“ *What a great run. Some of my earliest memories are of my granddaddy, Carl Jones, and Neal together. He was a link back to a better time when they were busy, on top of their game and being real men. They don't make them like that anymore. “ *In 1998 I was new to working in Mesquite and events at the Rodeo Arena, with Neil Gay and Jack Beckman; I was accepted with open arms as a family member to the Gay family. I will always treasure the off chance that I experience being at the Gay Ranch during a roundup for (back in the day) the full weekend rodeo events. They entire family accepted me as another roundup individual with an excellent lunch that they served their help every day of their hard work. Along with a tour of the property, stalls, and most of all the lovely home they lived in. Just outstanding and a treasured memory I will never forget. Tammy*

“ I used to attend Mesquite on my birthday. Neal would ride around after the performance and shake hands. I imagine Neal and Colin, our American Blackbelly ram met at the gates Thursday. Colin probably tried to bust open the gates. Neal probably tapped Colin on the back and told him "Please wait your turn."

“ I will never forget whenever Neal Gay would come around the chutes, nobody would be setting on the chutes or anywhere else, he was to the point and loved to put on a great show. They sure do not make them like him anymore, I was just a young kid, too afraid to ever approach any of my rodeo heroes, but he reminded me of my grandpa and the "old timers" that hung around the cotton gin when I was a boy.
He will greatly be missed in the rodeo industry, one of the originals. My hat is off to his family and are all in my thoughts and prayers.
