

Nell Bostick

April 11, 1944 - July 19, 2025

Kylethia Nell Bostick, of Royse City, passed away peacefully on the morning of July 19, 2025. Nell was born April 11, 1944 to Everett and Lucille Rains, both of whom met her in Heaven along with her beloved husband, Douglas Bostick, and her brothers: Don, Billy and Lanny Rains.

Nell grew up and attended schools in Terrell. Being the only sister among three brothers, she knew how to stand her ground! She worked in the electronics industry at both Texas Instruments and Xerox where her work ethic was a valuable asset to the companies and her coworkers. She married Doug Bostick on Jan. 31, 1986 and together they had many wonderful years raising their blended family in a home filled with love and faith until Doug's passing in December of 2024. When not taking care of her family and helping Doug with his volunteer and Gideon activities, Nell's favorite place was in her garden and her yard. Planting flowers and gardening was her happy place and Nell truly enjoyed digging in the dirt to grow anything for her yards as well as give transplants to family and friends. She was also an originating member of the Post-Polio Chapter in Dallas, an organization special to her heart. Her longtime membership and involvement helped the Dallas chapter grow to over 5000 members who were able to learn more and connect with other medical providers and families. A beloved wife, mother, grandmother, aunt and friend, Nell will be greatly missed and always remembered.

She is survived by her son, Keith Kyser and his wife, Terri, of Rowlett; daughter, Lori Stapleton of Royse City; grandchildren: Konner Kyser, Todd

Stapleton, Cory Stapleton, Emily Berry and Tara Bostick; daughter-in-law, Melanie Bostick as well as several nieces, nephews, other beloved extended family and many friends.

Graveside service will be at 10:00am, Friday, July 25, 2025 at Campground Cemetery where she will be laid to rest next to Doug. For those wishing memorials may be made in honor of Nell to the Alzheimer's Association at www.alz.org or to the American Heart Association at www.heart.org.
