“ *I have a lot of memories from my childhood of good times spent with Aunt Oleta - and even though over the last few years, we've not spent a lot of time together, every time I would see Aunt Oleta, she'd love on me so good - take my face in her hands and give me a precious kiss - she always made me feel pretty with nice comments she'd make. I'm gonna miss her! I love her and I'm thankful for the good memories!*
