

Paul Larry Lee

October 2, 1938 - June 22, 2021

MR. LEE'S SERVICE WILL BE LIVESTREAMED AT 10:55AM ON WEDNESDAY

Paul Larry Lee, of Terrell, passed away on June 22, 2021. He was born October 2, 1938 in Drummond, OK to Marion Chester and Katherine (Thrasher) Lee, both of whom preceded him in death along with his beloved wife, Delories Lee.

Paul was born on his family's farm in Drummond, OK and they moved to Hennessey, OK when he was in fourth grade. He went on to graduate from Hennessey High School where he was a three-sport participant. He received his B.S. from Oklahoma State University in 1960 and then was active in the US Army that same year until 1965 where he attained the rank of Staff Sgt in the reserves. He met, and married, his best friend, Delories, and together they had a wonderful life raising their children until her passing in 2018. Paul was an avid hunter and fisherman during his whole life and was also an active fast-pitch softball player during the 50s and 60s. IN 1978, he began running and entering races, eventually completing over 700 races during the next 30 years. He finished 57 of these races that included distances of over 26.2 miles in length and completed 2 races of over 100 miles-one at Lake Tahoe, CA and one at Leadville, CO. with his final marathon being completed at the age of

73. His immense knowledge of running and the mentality required to successfully accomplish races, earned him a position as editor of the magazine for the Dallas Running Club for two years. His insightful anecdotes and wisdom regarding the sport of running were also evident in his published articles that he wrote under the pseudonym of "Rotten Egg". Paul had a thirst for always learning new things or subjects and his voracious reading habit averaged him one book a week being read. He was a man of incredible knowledge and even greater accomplishments, and he will be greatly missed by all who knew him.

Paul is survived by his children: Micki Musser and husband, Gregg, of Terrell, Mindi Mayfield of Irving and Mike Mayfield and wife, Kris, of Tulsa; five grandchildren: Linzie Mills and husband, James, Logan Musser, Kinzi Mayfield, Kassidy Marsenison and husband, Max, and JoziRose Maras and husband, Michael as well as two great grandchildren: Luka and Camille; brothers: Jerry Lee and wife, Marilyn, Darrell Lee and wife, Gwen, and Gene Lee; sister-in-law, Norma Sue Heister and her children, Kari and Katari along with many other extended family and a host of friends Paul made during his life, especially his special friend, Alice Wilhoit.

“ *Our paths initially crossed when I moved from Arkansas and Paul transferred into Hennessey when we were in the third grade. We both graduated from Hennessey High, then both went on to graduated from Oklahoma State where we continued our friendship.*

When Paul's wife died, our long distance friendship resumed through one visit, endless emails and phone calls. It was enriching to have him in my life until his death. Paul was an exceptional man, strong, charismatic, a self-made man. He was one handsome fellow and had dreamy eyes. I will truly miss Paul!

“ We are so sorry to hear of Paul’s passing. We were neighbors on Rash Lane. We loved Deloris and Paul right away. He planted a garden every summer and always told me to get as much Okra as I wanted. I would then share my Pickled Okra with them. I know his family will miss him. May God give you peace. Moonyene and Larry Attaway. Crandall, Texas.

Moonyene, mom and dad both loved being your neighbors. His garden was his pride and joy and he did love giving what he grew to all of us. Thank you for sharing.

“ *Our deepest sympathies go to Paul's family. Our family has many wonderful memories of the 29 years that Paul and Delories were our next door neighbors in Yukon, OK until they moved to Terrell in 1998. It was so special that Paul and Alice came back for David's funeral and got to visit with some Yukon friends just 3 months ago. Little did we know that it would be the last time we would get to see Paul. We pray that God will give you peace and comfort in the coming days. Sackett family, Betty, Scott, Chris and Jeannie.*

“ *Paul was a dear friend. I was one of his drivers and we had a lot in common. I will miss the conversations about OSU, fishing, his granddaughter that ran track that he was so proud of and his marathons, too, and just life in general. Paul was a gentleman and a gracious man and a blessing to those who knew him.*

Thank you, Lord, for Paul Lee.

“ Paul was my reading buddy. We email and texted about the books we had read. One time when we were reading an author's books, in order of course, I found a copy of one I didn't think I had read. I emailed him and told him. Immediately he replied that I had already read it. I replied do you not only keep a list of the books you have read but now mine? He replied well you won't do it, so someone has to do it. Paul was a life long dear friend. I am already missing his texts. Louise Brown, Class of HHS 1958

Paul and my brother Pat were great friends through HS. Of course everyone liked Paul, but Mother thought Paul hung the moon....causing Pat & I to wonder where we'd come up short.

While quail hunting one afternoon, we flushed a young deer who became disoriented and ran straight at Paul who dropped his shotgun and tackled the 30-40 pound deer. Only Paul could catch a deer alive!

A great guy who will be greatly missed.
