“ I Gloria Gipson Wells retired Brookshires employee send my sympathy to the Lovell family. I worked for Mr Lovell and I worked with Paula and Sherri. at Brookshires. My prayers for the Lovell family that the Lord will comfort and strengthen your hearts. We know that time will heal and the Lord is too good to make a mistake and too loving to be unkind. We pray for your strength in the days to come. Remember that John 3:16 states God so loved the world that he gave his only begotten son that whosoever believeth in him shall not perish but have everlasting life. So be encouraged in knowing that you will see. Paula again .Romans 10:8 If you will confess with your mouth and believe in your heart that God raised Jesus from the dead you shall be saved..look to see her again. God Bless you Lovell family!! Love and prayers forever!!

“ *I started Phoenix my sophomore year and I remember she would always tell me to keep going and I could graduate early! I remember always sitting in her office and talking to her about what was going on in my life.. she was absolutely the best person ever . This is definitely a really big hit for me. She was the person everyone would trust and talk to her . Last time I saw her she asked now that I had my baby that what were going to be my plans . I'm still very devastated. My son saw her once and was laughing with her. So sad that we have lost a beautiful soul ❤️ She saw the good in many kids regardless of whom they were ! You will be dearly missed Ms.Lovell*

“ Paula had been my best friend for the last 30+ years. We shared so many wonderful fun memories, some heartaches & lots of secrets. We never judged one another only supported one another. True friendships are hard to find but we had that friendship! I called her phone today just to hear her voice because it's just doesn't seem real & I just wanted to hear her voice. I'm so thankful I was at her side when she took her last breath & gained her wings. Fly High my friend & give my daddy a Big Hug!! I Love you Always & Forever!!!

“ Paula was one of my softball team mates when we were young. Her dad was our coach and then later on she was one of my Tigrette team mates as us Short people stick together on the end. She was also mine and Bert's next door neighbor. I think we have always known each other and been friends. Paula you will be so missed.

“ I worked with Ms. Lovell for the past four years. She was the most kind and considerate person I've known. I will truly miss her; as we ate lunch together most days. Her favorite was Mexican food and I would usually go pick it up. She was always here to open the door and greet each of us; students included; with a smile. Her laughter was contagious and she always had a story to share. My heart is heavy and it saddens me as I write this, but I take comfort in knowing that she shared her good humor, knowledge, and splendid spirit with me. We talked about everything and shared many stories. I will sincerely miss my confidant, my listening buddy, and my adviser. Rest in God's arms my friend.

“ I want to say that when I worked for her dad at Brookshires on Rockwall St in Terrell, she always had a smile on her face and always had things nice to say. She got in contact with some of us through Facebook and we always told her how wonderful it was to work for her dad. She told us one day he was there reading them as we were talking about him. She was one of the great people a person to know. The sweetest person as well. Had a great heart. You will be missed Paula Lovell, till we meet again, Praying for the family

“ *It's so hard to believe Paula is gone. We shared many good times in the past and she thought it was so funny because I referred to her as Louise, not Paula. My heartfelt condolences to all the Lovell family. Paula touched so many lives and she will truly be missed. Until we met again, dear friend; rest in peace, Louise.*
