

Phillip Pennington

November 13, 1943 - December 18, 2024

Phillip "Phil" Wayne Pennington passed away at his home in Forney, Texas on December 18, 2024. Phil was born in Happy, Texas to Robert Van and Winnie Ruth Pennington on November 13, 1943. Both parents have preceded him in death along with wife Dorothy "DJ" Jane Pennington, brother R.V. Pennington Jr. and sister Wynne Faye Pennington.

Phil grew up in Canyon, Texas. He attended West Texas State University where he played basketball and was a member of the Sigma Nu fraternity. He worked for Dun and Bradstreet and later owned an aircraft parts business. Following his career, he decided to explore his passion and talent for crafts. He had a particular love and skill for woodworking. There wasn't anything that he couldn't design, build, or repair. He was also an avid outdoorsman who loved hunting and fishing. Phil was intelligent, witty, creative, and above all, a loving father. He was our Dad, Pops, husband, son, brother, uncle and friend. We will forever miss him.

Left to carry on Phil's memory are his two sons, Patrick Pennington and Michael Pennington and wife Tamra, grandsons Ryan Michael Pennington and wife Peyton, and Taylor James Pennington. Also left to carry on his love and legacy are great granddaughters Texie Blake Pennington and Remi Irene Pennington, his sister Frances Waldrip, stepdaughters, Charla Shults, Cherie Frost-Duke, Christle Brown and their families, along with numerous nieces, nephews, extended family and friends.
