

## Phyllis Hamberlin

December 17, 1953 - December 6, 2019

Phyllis Hamberlin, beloved wife, mother, and Nana, passed away December 6, 2019 with her devoted family at her side. She was born December 17, 1953 in Gilmer, Texas to Joseph Randall and Mary Sue (White) Barber. Her father, Joseph, welcomed her into Heaven along with her son, Stephen Michael Hamberlin.

Phyllis grew up in Gilmer and graduated from Gilmer High School in June of 1972. After being introduced by mutual friends during a county fair, Phyllis met Larry Hamberlin, the love of her life, and, after graduation, they married on August 11, 1972. She was a devoted wife and mother to Larry and their three sons, and she was a solid foundation of love and faith as Larry continued his education in the medical field. Phyllis also continued her own journey of education earning a master's degree from International Seminary. With her learning and her desire to carry out Jesus' Great Commission in Matt 28:19, "Go ye, therefore, and teach all nations", Phyllis taught at Covenant Christian Academy in Colleyville, Texas where her love for the Lord and for teaching was evident in every class. When Larry opened his chiropractic practice in Terrell in 1998, Phyllis, again, provided solid ground to the office utilizing her skills in organization and her welcoming of new patients with her calm personality and gracious smile. Her administrative skills and ability to make sure every patient's needs were taken care of made her the heart of Hamberlin Wellness Clinic and folks dropped by to see her as much as to see

Dr. Hamberlin! Her quiet strength spoke volumes and her serene nature of calmness and kindness converted countless patients into lifelong friends. Phyliss loved to scrapbook and bake for family and her signature recipe for Angel Biscuits was well known and eagerly anticipated all gatherings. She and Larry were not only devoted to their family but also to each other. They loved to take motorcycling trips getting the chance to “get away” and see God’s glorious world as well as spend time together, just the two of them. Phyliss was never one to talk about her accomplishments-rather, she was always ready to tell others about how proud she was of Larry, her sons and their wives along with her precious grandchildren. Of all the titles and positions that she held, being a wife, mom and Nana were her favorite. A true Southern lady and servant of her Savior who was kind, intelligent and beautiful, Phyliss will be missed by all who knew her.

She leaves to celebrate her legacy of unconditional love, her husband, of 47 years, Dr. Larry Hamberlin of Terrell; sons: Joseph Hamberlin and wife, Sarah of Forney and Phillip Hamberlin and wife, Crystal of Forney; grandchildren: Cody Record, Ashton Hamberlin, Natalie Hamberlin and Peyton Hamberlin; mother, Sue Barber of Longview; brother, Keith Barber and wife, Susan of Nacogdoches, TX; sister, Denise Williams of Longview as well as several nieces, nephews, extended family and a host of friends.

A Celebration of Phyliss’ life will be 3:30pm to 4:30pm, Thursday, December 19, 2019 at Lakeshore Church in Rockwall where all are welcome to share stories and memories.

For those wishing to do so, memorials may be made in honor of Phyliss to the Crohn's and Colitis Foundation at [crohnscolitisfoundation.org](http://crohnscolitisfoundation.org).
