“ I will miss you brother, but I know you have been so sick for so long, but not anymore. You're healthy, young again and I can see your big smile on your face now. You always had a big beautiful smile on your face. Thank Jesus for what he done for all of us on the cross and give mom, dad, Shirley and James and the rest of the family who have gone on to be with the Lord a big hug and a kiss from me. See you later brother. Love your little sister Janet Lynne.
