“ *Just today, August 17, 2022, did I hear of Randall's passing. My heart is broken. I pray that his family is doing well. Randall was a perfect gentleman from the moment I met him. We went to high school together, he and my brother, Preston Daggs, we're good good friends. Preston died just 2 days ago. Our parents loved Randall - he spent a lot of time at our home during and after the high school years. We all had an immense respect and love for him. There was no one like him, nor will there ever be. We will never forget him and the light that he was.*

“ *Randall and I were good friends in the 70's and 80's, yes the big hair, cut off jeans and knee boarding days. Love the pics, brought back fond memories*

Through those pics I am happy to see he had a great 2nd half of life with many adventures and surrounded by lots of friends and family.

Thank you for sharing his life

My condolences to the family and friends

“ Susan: Randall was a one-of-a-kind guy, who will stay alive forever in our memories. His laugh, his smile, the sharp wit are just a few of the special things about him that stick in your mind. We had so much fun together in the early days of the Panther Creek HOG Chapter, and later, when you both moved to the "estate" out in Quinlan! And what fun parties! Please don't ever show the photo of me (after too many Margaritas!) trying to get cell-phone service in the back of a truck! We won't forget him, or you, and when you need someone to visit with, please call on us!
