What a loss! Randy ("Tank"!) was a great guy and a good friend to those lucky enough to know him. He had a sharp wit and could talk intelligently about pretty much anything. I am truly grateful for the years, the music and the laughter I got to share with him as a member of the JoyRyderz. Rest in peace, brother.

“*Man, Randy was a great singer and guitar player. He always knew words to songs! Played a lot of music with him for many years and really enjoyed it. He was very passionate about his political views that we shared. He was a very pragmatic thinker and a true friend! He will be missed by many, many people.*
