

Raymond Sanchez

July 2, 1999 - November 24, 2024

Raymond Lee Sanchez passed away on November 24, 2024, in Terrell, Texas. He was born to Juan and Maria Sanchez on July 2, 1999, in Kaufman, Texas. Raised in Terrell, Raymond graduated from Terrell High school on May 18, 2018. He was a proud Tiger, excelling on and off the football field. Raymond was a natural mechanic and always challenged himself to learn as much as he could to fix anything he touched. Along with his intellect, Raymond was a hard worker and was always finding jobs or tasks to accomplish. Raymond had an affinity for fitness and health for not only himself but his family. He was a staple at the gym and always encouraged his loved ones to live healthy. He was able to teach fitness routines to anyone interested in learning. Raymond considered kinesiology studies, but he would always say he can find all the info for free and save on costs. He was also an entrepreneur and started a side hustle for extra income to help lift himself and his family up.

He enjoyed traveling and spending time with his cousins, often playing football with them when they were kids. Did we mention he loved going to the gym? Along with athletics, Raymond was a movie buff with a specific interest in Star Wars. He was a huge George Lucas fan and would talk about Star Wars to anyone that wanted to learn some interesting facts or simply talk about the subject. With Raymond, there are so many memories that it's hard to pick just one or ten as a favorite. His wife, Alondra, would watch him with admiration while he was interacting with his children. Her heart would swell with every

laugh and smile exchanged between them. He was naturally a good father to both Dahlia and Levi and was an even greater partner to Alondra.

Raymond's brothers remember him fondly, whether it was George jumping out of the laundry room to scare him and Raymond getting revenge by grabbing George's foot from under the kitchen table or playing XBOX games and LEGOS with Alex. He and Alex would take late night drives listening to The Weeknd's 'Tears in the Rain' while conversing about their futures and further tightening the bonds between them. Raymond was a sentimental family man. He treasured moments with his family and loved them deeply. When his mother, Maria surprised him with mariachis and fireworks for his birthday, Raymond teared up seeing his family gather around to celebrate his special day. There were sayings he would say at every family gathering and vacation that cannot be named but God Bless, he had no filter. He could make his siblings laugh until they cried as well as lift up his loved ones no matter what they were going through. He encouraged them to make healthy choices at the dinner table and could be found at the head of the table making jokes and bringing laughter about. A selfless, loving, generous man, Raymond will be missed immensely by his family and friends.

Left to carry Raymond's spirit on is his wife, Alondra Rodriguez and their beautiful children: Dahlia Angelica Pacheco-Sanchez and Levi Raymond Sanchez. Also left to remember Raymond are his parents: Maria G Sanchez and Juan Alberto Sanchez; brothers: Albert Sanchez, George J Sanchez, Charlee Sanchez, Alexis Alejandre; cousins: The Alejandre Family, The Villanueva family, The Lozada family, The Sanchez family and many extended family and friends.

Raymond Lee Sanchez falleció el 24 de noviembre de 2024 en Terrell, Texas. Sus padres son Juan y María Sánchez, y Raymond nació el 2 de julio de 1999 en Kaufman, Texas. Criado en Terrell, Raymond se graduó de Terrell High School el 18 de mayo de 2018. Estaba orgulloso de ser un Terrell Tiger,

sobresaliendo dentro y fuera del campo de fútbol. Raymond era un mecánico talentoso y se desafió a sí mismo para aprender a arreglar todo lo que tocaba. Además de su intelecto, Raymond era un gran trabajador y siempre encontraba trabajos o tareas que realizar. Raymond tenía afinidad por el fitness y la salud no sólo para él sino también para su familia. Le encantaba pasar tiempo en el gimnasio y siempre animaba a sus seres queridos a llevar una vida sana, y era capaz de enseñar rutinas de fitness a cualquier persona interesada en aprender. Raymond consideró estudiar kinesiología, pero siempre decía que puede encontrar toda la información gratis y ahorrar costos. También era emprendedor y comenzó una actividad secundaria para obtener ingresos adicionales que le ayudarán a él y a su familia a prosperar. Le gustaba viajar y pasar tiempo con sus primos, y jugaba al fútbol con ellos cuando eran niños. ¿Mencionamos que le encantaba ir al gimnasio? Además del atletismo, Raymond amaba ver películas con un interés específico en Star Wars. Era un gran admirador de George Lucas y hablaba sobre Star Wars con cualquiera que quisiera aprender algunos datos interesantes o simplemente hablar sobre el tema. Con Raymond, hay tantos recuerdos que es difícil elegir sólo uno o diez. Su esposa, Alondra, lo observaba con admiración mientras interactuaba con sus hijos. Su corazón se hincharía con cada risa y sonrisa intercambiadas entre ellos. Naturalmente, era un buen padre tanto para Dahlia como para Levi y era un socio aún mayor para Alondra. Los hermanos de Raymond lo recuerdan con cariño, ya sea George saltando del cuarto de lavado para asustarlo y Raymond vengándose agarrando el pie de George de debajo de la mesa de la cocina o jugando juegos de XBOX y LEGOS con Alex. Él y Alex conducían tarde por la noche escuchando "Tears in the Rain" de The Weeknd mientras conversaban sobre su futuro y estrechaban aún más los vínculos entre ellos. Raymond era un hombre de familia sentimental. Atesoraba los momentos con su familia y los amaba profundamente. Cuando su madre, María, lo sorprendió con mariachis y fuegos artificiales para su cumpleaños, Raymond lloró al ver a su familia

reunirse para celebrar su día especial. Había dichos que decía en cada reunión familiar y vacaciones que no se pueden nombrar, pero Dios los bendiga, no tenía filtro. Podía hacer reír a sus hermanos hasta llorar y animar a sus seres queridos sin importar por lo que estuvieran pasando. Los animó a tomar decisiones saludables en la mesa y se le podía encontrar en la cabecera de la mesa haciendo bromas y provocando risas. Raymond, un hombre desinteresado, cariñoso y generoso, su familia y amigos extrañarán inmensamente. Para continuar con el espíritu de Raymond quedan su esposa, Alondra Rodríguez y sus hermosos hijos: Dahlia Angelica Pacheco-Sanchez y Levi Raymond Sanchez. También quedan para recordar a Raymond sus padres: María G Sánchez y Juan Alberto Sánchez; hermanos: Albert Sánchez, George J Sánchez, Charlee Sánchez, Alexis Alejandre; primos: La familia Alejandre, La familia Villanueva, La familia Lozada, La familia Sánchez y muchos familiares y amigos.

“ I’ll never forget watching you grow up. Knowing my aunt was pregnant later in her age. You were born when I was a teenager. While hanging out with your older brothers, we watched you whine, cry, get mad and get sensitive over toys while we were in our 20’s and you were just a little boy. Watching you grow into a young solid and good man. Had goals, had dreams and was very persistent on reaching them. I’m happy to have shared a beer with you while you were a young adult and share advice, music and ideas for financial moves to careers. We will be missed and never forget we have and will always love you, Raymond. May you rest in peace. I know you watching over your little beautiful family and your cousins. Love you little Vato.

“ Dear Raymond,

I never knew that this day would come.

I know that people come and go from this earth and I prayed that all of us were able to live a long life together.

*There's a lot of memories you and I shared,
A lot.*

Raymond, you remember when I went over your house during the summer and we would play the Xbox 360. Playing Jurassic Park, Lego's, halo reach, left 4 dead..

man if I could go back to reliving those days I would.

If I could go back to last Friday and give you one last big hug I would. If I would've known that this past Sunday was your last day.

I would've spent my 24hrs with talking to you..

I'm hurt bro, we all are.

I'm doing my best to stay strong, you've always believed in me, you'd give me motivation to keep going. & to achieve success on doing the things I enjoy.

I got so many questions, I wanna ask you Ray but I'd rather ask you personally when I'm visiting you at your grave. I love you dude, and I know you've always loved me.

I know that you'd want me to watch over Levi and Dahlia and just know that I got them. Watch over my twins up there Ray..

May you rest in peace, may you live in paradise. May you visit me one last time in my dreams brother.. I love you man.
