

## Rebecca "Becky Raz" Allen

December 4, 1953 - September 22, 2017

Rebecca "Becky Raz" Allen closed her eyes on earth to open them in Heaven on the morning of September 22, 2017. She was surrounded by her loving family at every moment and she was reunited with her parents, Joseph Roger and Melba Rose Raz, who preceded her in death.

Becky was born in Dallas on December 4, 1953 as an early and welcomed Christmas present, and she graduated from Terrell High School in 1972. She had a strong desire to always help people in both her professional and personal life. Becky was a very generous spirit and she took pride in working 'behind the scenes' so that others could always know to count on her quiet determination and loyalty. She enjoyed gardening and sewing. Many family members and friends have wonderful creations that she hand sewed which they will treasure. Family was important to Becky, and holidays or any spur-of-the-moment gathering was a favorite way for her to spend time. She was a member of First Baptist Church of Terrell, the Pilot Club, and served on the Volunteer Council for Terrell State Hospital. Her easy smile and willingness to help in any situation made Becky a joy for others to serve alongside her. One of her greatest joys in this life was spending time with her beloved grandson Arick. A wonderful mother, grandmother, sister, aunt, and friend, Becky will be missed by all who knew her. Her dog, "Mr. T" became her constant companion and her biggest fan. Her legacy of love, encouragement, and gratitude will continue to be held dear by her family and friends.

Becky is survived by her daughter, Stacie Nalls and Sanjar of Sunnyvale;

sons: Ronald Allen and Holly of Tyler, Randy Allen of Addison; grandson, Arick ; beloved dog, Tuppins; sister, Tammy Dry and Jr of Grand Saline as well as numerous nieces, nephews, extended family, and a host of friends. Funeral service will be at 2:00pm, Monday, Sept. 25, 2017 at Max Slayton Funeral Chapel with interment to follow at Haven of Memories in Canton, Texas. The family will receive friends 4-6pm, Sunday, Sept. 24, at Max Slayton Funerals and Cremations. In honor of Becky's love for her beloved dog, memorials in her honor may be made to Terrell Animal Alliance, 10474 County Road 2326, Terrell, TX 75160.

“ *Stunned to hear Becky has gone, I emailed her a week ago as I had not heard from her for a few weeks and it was not like her to not reply.*

*Becky will be missed by so many, I only met her twice, once at a gathering in New Brunswick and she joined us at the seashore in Oregon for almost a week where she bonded with my dog Samson but the thing that struck me about her and which only became more prominent as I grew to know her was that Becky was a LADY, something sadly and increasingly rare these days.*

*She made no bones about having an opinion but she nevertheless was a lady. I will miss our conversations about her renovations while she was going through them, about her family who now have to deal with this utter loss and hearing about Mr Tuppins who must also be heartbroken.*

*My condolences to your family, Becky will be missed by so many whose lives she touched over the years.*

“ A precious group of more than 50 women from all over the world met online 12 or so years ago. We have all supported each other through life's ups and downs, celebrated the highs, cried together over the lows, and shared the milestones and joys of our families and friends ever since. Some of us have have met in person, others not, but all are dear friends without whom many of us would have struggled just that little bit harder and a little longer. Becky is one of us - she has been a shoulder, a mentor, a counsellor and a much loved friend. We will miss her - we won't forget her. ❤️

“ I was so saddened to hear this morning of Becky's passing. Becky was a friend who although I never met in person gave me kindness, love and support as I journeyed through the trials of life. She will be missed and not forgotten by all in our special circle of friends. My condolences to Becky's family at this time. Jenny Linderberg - a friend from Australia.

“ I have just found out about Becky's loss, I am so very sorry. Some of you may not know it but Becky and I met through a special group of women and this may sound strange but most of us have never met in person, but we loved her so much. I wish we would have known sooner so we could have sent flowers, but I only heard of her passing in the last 5 minutes. Dear Lord look over this courageous, loving, and spunky woman, she was loved by so many around the world. Praying for your family and for Becky from Alabama. We'll sorely miss you Becky.

“ So sorry to hear Becky passed away. We reconnected after decades thru FB, email and texts. Whenever we could go to Terrell we always set aside afternoons to visit Becky. I will forever cherish the talks, the memories we shared and stories about our kids and grand kids while sitting around her round dining room table. God Bless Becky and all her family. You will be missed.

“ *Becky, Becky, Becky...thinking of you, sending many prayers to each one in your family. God comfort them and let His Love and your love help them through this time of hurting and this new chapter in their lives. Becky, soar high with the angels and be free of all burdens, hurt. As this earth's journey for you transitions to one greater and beyond this horizon, the recalling of little moments in time, wonderful memories through many years will bring smiles, laughter, love, fond pauses as we remember a life filled with adventures and friendships, family. Rest in His love.*

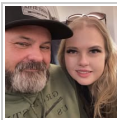

*Many memories of our younger selves, school years.. Mr. Wetzel & Jr high band.. Yeah, Flutes rule! Freckled faced Jerry LeM getting all 5 Beckys in our grade together on the playground somehow & then trying to kiss each Becky.. 1st grade? Elementary recess, oh my. Sleepover at your awesome house on Griffith, your fun mom and dad, tall and quiet I think. Kenneth and broken hearts.*

*Teachers, good and great [and some just -what?] We lived our lives & adult yrs later, I'd see you at our kids' school stuff, then at Scurry's funeral. Humbling, this time here. We should have gotten together in person for a visit or 2. I can't change that now, only regret. And December 4, always your and my dad's bdays. Facebook always brought forth your caring nature with words and pictures and glimpses of your heartfelt passion for humanity and more, veterans, friends, family, your loving little dog. Our lives are so short here, with joys and sorrows, but we carry the good times forever in our hearts if we're lucky, as we have been. So here's to you, Becky.....*

*Adventurous, fun, beautiful, sincere, loved, friend. God speed.*
