Josh I'm so sorry to hear about your loss I know I don't have to tell you but your mother was an awesome person who loved her family deeply. Becky was also a awesome nurse and Corp. Nurse that touch a lot of lives in a very special way .I had the privilege of working with her years ago at Rowlett Health and Rehab I seen your mother freely give her love and care and wanted nothing but the best for her patients and would get out on floor and worked beside you to provide care for her patient . Becky will be truly missed . I pray that God comforts you and your family durning this time ..

“ It was a comfort to us, being far away, that Denny had Becky and her family in his life. We remember her generosity and guidance when our family was dealing with health issues. We remember good times on the acreage, sitting around the umbrella table on the deck in loud discussions about anything and everything. We remember her patience with Denny's retold stories and her dry sense of humor. She is gone too soon.

Our love and sympathy to our son and brother Denny and to Becky's family.

Would see her from time to time especially at the soccer fields watching you play Josh, she was your biggest fan & was so proud of you! We could go months or years & she was always so friendly & had the sweetest smile! RIP our sweet friend! With Deepest sympathy, Karo & Wilson

“ So sorry to hear about the passing of your mom. My prayers are with you and your family at this sad time. What I remember best about your sweet mom is when she told me she worked with my mom for many years and was so fond of her as well as my mom so fond of her. She used to talk about your mom all the time but I never knew who she was talking about. But after I met your mom she could not believe I was her daughter. Great memory.
