“ Many of y'all didn't know but, Ricky was one of the most thoughtful people I have ever known. For the last 5 years every time it rained at night time Ricky would pull through the Applebee's parking lot and make sure that I would not walk home in the rain, I didn't even have to call him most times Now that is what a Real friend would do. Miss you Ricky...Philip King

“ My old classmate, my friend, my sidekick, we got into so much trouble together. When I was living at the Baymont and Terrell, all I'd have to do is call you and you would come over there every time Frank would run off which was daily and you hang out with me no matter what you were always my friend and I love you with all my heart Fly high my friend
