& families,  
We were so very sorry to hear about your loss  
of Ricky. It had been a while since we last  
saw him but no matter how long he was always the same smiling,  
and picked right up from where we had left off. We went all through  
school then graduated in 1972 with each other. We weren't just  
friends we were also cousins. Keeping all of you in our thoughts and  
prayers! Gone but never forgotten! RIP Ricky!  
With Deepest Sympathy,

“ *You have a few people in your life you can always depend on. Ricky was a great friend and a big part of my life since grade school. There were so many rides up and down Moore Avenue, trips to the lake, double dates on Friday night, it's hard imagining him not being here to call. I will always remember him for his big smile and how he influenced my life.*

“ The Eubank's lived next door on State St. my 1st -9th grades. Harry & Edna were so good to the kids. She cooked good too. I loved her florist shop in her back yard. I think Jimmy, Larry & Gary thought we were a pain. Ricky had a monkey in a cage in his backyard who made a lot of noise. Ricky, Brian Dover & I rode bikes (where he got scar on his cheek), made tree houses & spent many hours together in the neighborhood. I did not realize he had been in Terrell the last 15 years. Life goes by so fast. Prays to his remaining family. RIP Ricky Don.

I’m so glad we’ve kept in touch the last few years and Larry, you are one of the most caring and compassionate persons I know, always checking on me and all our classmates from 1963. Again, I’m truly sorry. Love ya*

*So many memories with Wanda and Ricky around 25 years of them. The one that comes to mind is the time at lake when the sudden storm came and we used plastic bread wrappers for head bonnets and struggled to keep the boat from sinking while watching from the camper on shore. It rained 3 straight days and nights and we were constantly trying to keep the boat from sinking next to shore. The bread wrapper bonnets were laughed about a lot through the years. We were so happy when the rain stopped.*

*Jimmy, Larry, and Gary so sorry for your loss. So many fond memories growing up in Terrell. Loved the summer sports programs, riding Moore Avenue on the weekends, and hanging out at Stout's Drive Inn. Terrell was a really good place to grow up. Our families shared a lot with the railroad, and the Motor Freight Companies. So many memories of Harry and Edna Pearl on State Street. Will keep you all in my prayers!*
