

Ricky Paul Wilson

December 15, 1990 - November 26, 2021

Ricky Paul Wilson was born December 15, 1990 in Dallas, TX. to parents Ricky Lee Wilson and Kristi Kathleen Blasius Wilson. He passed from this life on November 26, 2021 at his home in Wills Point, TX.

Ricky Paul lived in Kaufman County his entire life and graduated from Kaufman High School. He was a free spirited young man with many skills, but music was his first love. Ricky Paul was a talented singer, songwriter, disc jockey, music producer, guitar player and performer who loved to share his passion for music. He was also skilled in technology and graphic design. When he made up his mind to do something, there was no stopping him. He preferred to teach things to himself, rather than having someone else teach him. Ricky Paul was creative, quiet, kind-hearted and friendly. He enjoyed making people laugh with his jokes, quick wit and dry sense of humor. He always had a big smile and a hug for those he loved.

Those left to cherish his memory include his parents, Ricky and Kristi Wilson of Wills Point, daughter Kora Wilson of Kaufman, sister Brianna Gottschalk and husband Cody of Grand Saline, nieces Ava and Sera Gottschalk of Grand Saline, a host of aunts, uncles, cousins, friends, and his faithful dog, Dot. He was preceded in death by grandparents Brenda and Paul Wilson, Kay Ables Shanks, Hal Blasius and his uncle, Mark Wilson. We will miss him dearly, but know we will see him again one day.

“ *Ricky Paul was so full of life and love for those around him. He was a free spirit with a kind heart. I have a lifetime of wonderful memories of him! As children, he and Brianna often spent time at our house (even though they spent a lot of that time playing video games with cousin Chase). In later years, they never missed a holiday celebration with our family. I always made sure I had his favorite drink, Coke, on hand and ready just for him.*

I was always in awe of his tech knowledge and called him more than once when I needed help with my computer or phone. He was always happy to help me.

I love you and I miss you already Ricky Paul!
