

Robert "Bob" Meyer

October 16, 1948 - February 7, 2023

Robert Meyer passed away on February 7th, 2023 with family at his side. Bob was born October 16th, 1948 to Robert Frost Meyer & Helen Marie Murphy. He grew up in Buffalo, NY and went to State University of New York and received his Masters of Business Administration. From there he went to work for the US Government in Border Patrol which eventually led to a promotion to Customs and Immigration and a move to Ontario, Canada. After about 12 years in Canada, he was promoted again, and he and his family made the move to Texas. After 41 years, Bob retired from the US government, Homeland Security branch. After his retirement, he was able to travel to different parts of the United States and even made a trip overseas to England.

He got to spend time with his grandchildren and was the best Grandpa B.O. He will always be remembered for his kind heart and as someone you could rely on. We will always be grateful for the fun times and all the laughs we had with him and how special he made each one of us feel.

He is preceded in death by his parents, Robert and Helen Meyer and wife, Mary Jo Meyer.

Bob is survived by his children: Travis Meyer and wife Jaclyn Meyer, Emily Beck and husband Kevin Beck, Sarah Proctor and husband Justin Proctor, Jeffrey Meyer and wife Gigi Meyer, Kelly Abdo and husband Jihad Abdo and his youngest son Eric Meyer; his 10 grandchildren: Abby, Allison, Sofie, Lilly,

Ty, Zoey, Rashid, Benjamin, Owen and Maryam.

As per his request we will be having a small private family memorial for him. His favorite way to spend time with his family was taking them out for ice cream. We do ask that if you would like to celebrate his life that you gather your loved ones and go out for ice cream, as those are the memories we cherish.

Bob was one of my supervisors at TSC. He was a calm mild mannered man that didn't let nothing rattle his spirit. He was a great person to be around. He will be missed. Prayers and condolences to his family.

Bob was one of a kind. Knowledgeable but warm. Dry humor and a friendly smile. He was everybody's favorite Uncle. One of the best supervisors I've had in working over 50 years in this life. Prayers to his family and thanking God for allowing me to cross paths with him.

Bob was one of a kind. Always a witty response to daily challenges and eager to assist. Whenever you saw him, he brightened the mood. May God carry the family through this time of loss. Warm Regards, Gloria

Bob was a kind supervisor with a calm manner that everyone would like to work under or with. I last saw him at the Big Bend National Park and we had a little chat. We both enjoyed our visit. It was a warm memory that I am lucky to have.
