“ Robert and I attended S.S. Conner Junior High and W.W. Samuel High School together. We took a lot of the same classes, and because both of our last names was Hancock, we sat next to each other in most of the classes. I remember at the start of school one year, Robert telling me that he had worked on a shrimp boat that summer (I think his dad owned it). He seemed to have enjoyed that a lot. He was a good guy.

God be with you Robert,

Jerry Hancock

“ *“Big Robert” was a good man. He pulled me out of a car wreck when I was 5 years old. I will always be grateful to him for stopping to help. He was also active in leading the youth baseball program when I was a kid taking the time for each of us to have fun playing ball. My prayers go out to Pat, Robert, Carol, Jennifer, and the rest of the family.*
