“ I worked with Robb after his employer was acquired a few years ago, until I left the company in June of this year. I was very shocked and saddened to hear the news about Robb, and his sudden loss weighed heavy on my mind and heart for days afterwards.

I didn't know him well outside of the workplace, but enjoyed my time working with Robb. We had a few things in common, and more than once shared a break on the back porch when he was visiting the Temple, TX office, and meals when I visited the Dallas office. Even during times where we may not have agreed, Robb was easy to get along and work with to find a solution.

I wish the best for his surviving family, and hope they are able to heal from this tragedy and carry on his memory. I regret I didn't have a connection with Robb on LinkedIn or Facebook, though I did send requests today, knowing they'll never be accepted :(

Rest In Peace, Robb.

“ During his time at PDI (Excentus), Robb was a great friend and coworker who truly cared for each person he came in contact with. Robb lead by example and set the bar for the rest of us to aspire to. Robb will be dearly missed in more ways than can be expressed here. Cathy and his family are in our thoughts and prayers.
