“ *We send our condolences to the Turner family for the loss of  
Robert. I enjoyed Roberts sharp wit and insights in to our day to day  
operations in the maintenance dept. He kept us all on our toes.  
We had many good conversations on working cattle, baling hay and  
just enjoyment of working the land. Gonna miss that guy.*

“ I had the honor of working with Robert. He always kept me laughing and seemed to have a funny story that would make you feel better when you were having a bad day. He had such a way about him that not many have. He always reminded me of Fred Sandford. He would act like a grumpy old guy, but, if you knew him you know it was a front. He was a kind person who really cared about people. He was great at what he did. I gave him the nickname "The Hatchet" and I will keep that story to myself. But, anytime I see a hatchet it reminds me of the good times we had here at the School Dist. I will miss you my friend.

“ I have known both Mr. & Mrs Turner for the past 6 years working with them at Terrell ISD. I love them both dearly. Mrs. Turner would always make me laugh after Robert retired, saying she needed to find something for him to do. Mr. Turner was a hoot to work with. Always trying to rile the guys up and then would laugh about it. You could always count on him to have something to say. His retirement party was something to behold. Surrounded by his work family we gifted him his nickname "the hatchet" accompanied by a hatchet. But that is another story for another day. Robert has been missed here since he's been gone. That laugh when he is being ornery. The Maintenance Department would like to offer their deepest condolences to the family, and especially to Janet.
