

Robert Paul Watson

December 6, 1946 - November 25, 2020

Robert Paul Watson passed away on November 25, 2020 in Terrell. He was born December 6, 1946 in Burlingame, KS to Paul Alexander and Jean (Denton) Watson, both of whom preceded him in death along with his wife, Patricia Watson.

Robert worked as a painter with several unions which allowed him to travel all over the United States to complete various projects. He had a love for being outdoors which naturally helped him develop an appreciation for motorcycle riding. He loved to ride for a cause and he was involved with groups that helped others including Bikers Against Child Abuse. When not on the road completing a restoration or construction project, Robert enjoyed getting out on the road, visiting new places with his family and friends, especially his beloved wife, Patricia, and enjoying a few adult beverages! For almost 30 years, he and Patricia would ride to different destinations-meeting old friends while making new friends and lasting memories. After Patricia's passing in 2011, Robert moved to Terrell to the quiet countryside and to be nearer to his family. A man with an open smile and easy personality, Robert will be missed by all who knew him.

Robert is survived by his children: Robin Berryhill and husband, Johnny of Terrell, Rhona Watson of Kinder, LA and Rick Watson of Terrell; grandchildren: Jetton Berryhill, Justice Berryhill, Toby Johnson, Tylei Johnson and Kambrye Gauthreaux; great grandchildren: Jenson and Josie as well as several other extended family and many friends, all of whom will miss him dearly.

Robert's family is planning a celebration of his life at a later date with details to be finalized in the coming weeks.

“ *Bob and I go back many years to our teenage years in Burlingame. Drinking and raising hell was our favorite pastime. We rode a lot of miles together and I will say Bob was a brother to me not a friend. We spent a lot of time together then but drifted apart when we got older. I will miss you Bro may your glass never get empty, ride a smooth road and have the sun over your shoulder.*
