“ *Although I grew up with Roger and we graduated together from Terrell High School in 1965, I have been around him more in the last several years. I have gotten to know him better and become good friends with him.*

RIP Roger...I will really miss you at our get-togethers.

Our sympathies to Diane and family.

Thoughts and prayers are with you! Though we have not gotten to spend any time together in recent years, we have many fond memories. Dad (Bro. Pulley) really loved Roger (and the entire family) and I remember Roger being in our home just as we were in the Livingston home many times. Carmen and I send our love and ask the Lord to comfort and bless you! Kay Pulley

Roger and I had been friends since the early 50's. We worked at the Missile Base. A life long friend. May the Force be with him.
