

Ron Wesson

February 4, 1948 - October 15, 2023

Ronnie (Ron) Pat Wesson of Terrell, Texas passed away unexpectedly on October 15, 2023 and his family takes great comfort in the words from the apostle Paul in 2 Corinthians 5:8 that to be absent here on Earth is to be present with the Lord.

Ron was born on February 4, 1948 to WT (Jack) and Viola Wesson and was one of eleven children.

He was a graduate from Terrell High School, 1966, and North Texas State University, 1970. He was the ultimate alumni. He believed a person never stopped learning and Ron was inherently dedicated to ensuring that past, present and future students knew that UNT was the best decision they could make for their future.

Ron married the love of his life and his best friend, Rebecca (Becky) House and they were married for almost 40 years. In those 40 years, he and Becky shared endless memories as they raised their children, traveling to new (and much-loved, familiar) places, going to concerts, Rangers games, and comedy shows, eating out, and becoming grandparents while making sure that their love for each other continued as the foundation in their growing family.

Ron never met a stranger and was a friend, coach and mentor to many. He

had a love for music, making his own homemade mixed CDs and frequented many a concert over the years. Nothing made Ron happier than the time spent with his kids and grandchildren and going to their activities, teaching them to drive, seeing them graduate, getting married, taking road-trips, and going to football games. These were the absolute pinnacles of his life.

Ron's work ethic had no limits. He started working with his dad in Elmo at a young age and worked every day until his retirement in 2016. Ron's career started with Southland Corporation auditing stores across the greater Dallas area. In the early 1980s, he began a career as an Insurance agent and did that until the mid '90s when he decided it was time for a career change. In 1996, he turned to teaching and this would be the occupation that was Ron's calling. Ron's support, respect, compassion and pride for his students made Mr. Wesson every student's favorite. Under Ron's guidance, Terrell ISD's DECA program flourished. He was never prouder than when he would witness his students working in the community, going on to college and finding their own calling in their individual career paths.

Ron will be remembered for his loving spirit, kind heart, hugs, and gentle soul and his family is proud to carry on his legacy of hard work and a lifetime of always learning to be the best at every achievement.

Ron is survived by his beloved wife, Becky Wesson; treasured children: Brad Wesson, Angie Bowers (Ray), and Heather Jestis; cherished grandchildren: Jordan Bowers, Rayley Bowers, Jenna Wesson, Becca Jestis, Cade Wesson, Lee Jestis, and Drew Jestis; brother, Marshall (Brenda) Wesson; sisters, Mary Nichols and Brenda Scott as well as many in-laws, nieces, nephews, a host of friends and countless students whose lives Ron impacted. Ron was joyfully reunited in Heaven with his parents; brothers: WT Wesson Jr, John Earl Wesson, Bill Wesson, Kenneth Lawson, Lloyd Lawson; sisters: Jean Shipman and Cliffie Chambers; granddaughter, Paige Wesson; and son-in-law, Troy

Jestis.

His funeral service will be held Thursday, October 19, 2023 at 11:00 am at Max Slayton Funeral Chapel to celebrate Ron's amazing life. His family will receive friends 5:00pm to 7:00pm, Wednesday, October 18, at the funeral home.

In lieu of flowers, and in honor of Ron's dedication and love for UNT and learning, his family asks that donations be made to the University of North Texas Mean Green Scholarship Fund at <https://meangreensports.com/feature/mgsf>

“ Dear Brad, Becky, Heather and Angie:

I have known Ronnie Wesson since the seventh grade when he walked into our first football practice. He was smiling then and the last time I saw him, which was a few months ago, he was smiling then also. Ronnie Wesson was one of the best men I've ever known. There was never a kid from Terrell High School or North Texas State University who needed help that Ronnie wouldn't help or wouldn't find a way to help. I can't tell you how many times over the years that he and I talked about various issues concerning Terrell and/or NTSU. Ronnie was always there for everybody and I never ever saw him do anything but smile. He was a great man and I am lucky to have known him and I just wish that the lunch we had planned in the next two weeks would have taken place.

Unfortunately, Donna and I are out of the state and won't be able to get back to Texas until Thursday afternoon so we won't be able to make the funeral. I want everyone in your family to know that every time that I met with him or talked to him he was always so proud of his family. All of his family including nieces and nephews and his great nieces and nephews. God bless Ronnie I'm sure he is in heaven looking down on his family still loving them every minute of every day.

Sincerely,

Ted Lyon

“ Brad, Becky, Heather and Angie,
For the last twenty years, this photo has been on Paul's side of the dresser. Two dudes from Elmo turned into lifelong friends. I thank God that he gave them Saturday together watching UNT football... what they do best!
I can only say that we love you all and pray that memories will help fill in the hole in your heart.
Love, Sandy

To Becky and all the family of Ron, I am so sorry to learn of the passing of Ron. Bill and I felt such a connection with Ron and always enjoyed any and all times we were together. It is nearly two years since Bill left this side of eternity and I'm sure he was in the "welcome home" gathering waiting Ron's arrival. Unfortunately I am out of town and will not be able to attend Ron's services but, please, know all of you are in my thoughts and especially Becky as she begins the journey none of us want to travel.
